karen (@kfasimpaur) - 10:10 : Connie, are you clicking the headset icon in the upper left?
karen (@kfasimpaur) - 10:10 : You should get a box that then lets you "accept"
karen (@kfasimpaur) - 10:11 : If you're having problems, there might have something that blocks flash? If so, try another browser if possible
Joy Kirr - 10:12 : I just saw this picture on Flickr! :-)
karen (@kfasimpaur) - 10:12 : A huge sharing culture is developing.
Leslie Billings - 10:12 : It is redefining "local".
karen (@kfasimpaur) - 10:12 : And I think many people are writing more!
Sheri Edwards - 10:12 : we have access to instant information and resources; we have access to people through skype.
Joy Kirr - 10:13 : We can get ideas from across the globe, and share it back at our own school or across the globe again!
Joy Kirr - 10:13 : Weeding out the "fluff" by listening to experts.
karen (@kfasimpaur) - 10:14 : We are the "experts"! (peer collaboration)

Joy Kirr - 10:14 : I can't imagine not being connected any more.

karen (@kfasimpaur) - 10:14 : Connie, what kind of computer + browser are you using?

karen (@kfasimpaur) - 10:14 : We'll be posting a recording of this session at <http://www.p2pu.org/school-of-ed>

Connie - 10:15 : It's also creating more challenges for educators who really want and need to be connected; however, economics in areas delays and/or hinders access to hardware, etc.

karen (@kfasimpaur) - 10:15 : Digital access and equity is a big issue

Connie - 10:15 : Dell Internet Explorer

karen (@kfasimpaur) - 10:16 : Do you have Firefox? If so, might try that or log out and log back in. Sorry about this.

Joy Kirr - 10:16 : I love how Denise says, "In the olden days." :-)

karen (@kfasimpaur) - 10:16 : True - with the internet, everyone is a creator!

karen (@kfasimpaur) - 10:18 : Classroom 2.0: www.classroom20.com

karen (@kfasimpaur) - 10:19 : I use Classroom 2.0 as a place to ask for ideas about specific things and to share info. It's great.

Denise Krebs - 10:20 : I haven't used Classroom 2.0, although I do have an account. I just finally started following them on Twitter! So much info!

Joy Kirr - 10:20 : What time are the Saturday AM sessions?

karen (@kfasimpaur) - 10:21 : Joy, they have sessions at a variety of times (not just Sat.). You should get on their list to get notifications.

Joy Kirr - 10:21 : Will do!

karen (@kfasimpaur) - 10:23 : Twitter, P2PU, DS106

Joy Kirr - 10:24 : Twitter, #G112 (for first time), replying on blogs, responding to tweets

karen (@kfasimpaur) - 10:26 : These resources are all free.

Joy Kirr - 10:27 : Lurking in a #sschat - by accident! That was my first step and realization of the connections!

Tracy Watanabe - 10:27 : It's a buffet -- you can't eat everything at once, but you can start with your favorites and over time try new things

Denise Krebs - 10:27 : The Edublogs Teacher blogging challenge "Kick Start Your Blogging" was my first experience.

karen (@kfasimpaur) - 10:27 : One way I got started with sharing and connecting was sharing photos on Flickr

karen (@kfasimpaur) - 10:28 : True, Tracy. Picking 1 or 2 to try is a good way to get started w/o being overwhelmed

Celine Feazel - 10:28 : I have been on Twitter - done a few chats, and a few webinars for connected ed month and before the end of summer I will post my first blog :)

Denise Krebs - 10:29 : Yeah, Celine! That's exciting!

Celine Feazel - 10:29 : So many inspiring educators that I have been following . . . I need to kick it up a notch in terms of my own participation!

Joy Kirr - 10:30 : Just jump in Celine! You'll enjoy the journey!

karen (@kfasimpaur) - 10:30 : List of the many edchats here: <http://cybraryman.com/chats.html>

Sheri Edwards - 10:31 : @mrsdkrebs
Leslie Billings - 10:31 : I'm with you Celine. Just starting out, spent the summer lurking, and now I think I'm ready to take the next step. I'm taking Sam Shah's Blog Initiation challenge and will be posting four blogs over the next week.

Joy Kirr - 10:32 : Remember thinking Twitter was just to follow celebrities? I was NOT excited about it. Hah!
Celine Feazel - 10:32 : Thanks for the link, was just about to google :)
Peggy Matthews - 10:32 : When you find someone you really like, see who they are following, and begin following them.
Leslie Billings - 10:32 : Thanks, Karen. I didn't know how to add the link.
Sheri Edwards - 10:32 : Yes, Celine -- just reply and converse a bit on twitter; that's how I have formed my online friends
Joy Kirr - 10:33 : Same here!
karen (@kfasimpaur) - 10:33 : Just tweeted that link too. Thanks for sharing, Leslie!
Sheri Edwards - 10:33 : Leslie, I hope you find some resources here that will help you extend the conversation
karen (@kfasimpaur) - 10:33 : :)
Sheri Edwards - 10:34 : What do you teach? I teach LA middle school
Peggy Matthews - 10:34 : @coolcatteacher is a great person to follow in education
Leslie Billings - 10:34 : Yes. I hadn't heard of classroom 2.0. I will be checking it out later today.
Joy Kirr - 10:34 : Here's the risk part - we've all been there - and it's paid off! Blogging, answering questions on Tweets, trying new things... Phew!
karen (@kfasimpaur) - 10:34 : Also at @connected , a new connected educator is tweeting each day in Aug. Good way to meet folks!
Joy Kirr - 10:35 : @coolcatteacher was my first, and @cybraryman1 my second big one to follow. I stopped following @coolcatteacher, though, because it was too much for me!
Sheri Edwards - 10:35 : Our parts of speech project was just a jump in and go project.
karen (@kfasimpaur) - 10:35 : DS106 challenged me to be more creative online!
Sheri Edwards - 10:35 : @davidwo
Sheri Edwards - 10:35 : opps @davidwarlick

Sheri Edwards - 10:36 : started with wikis in the classroom
Peggy Matthews - 10:36 : I lurked for about a year, then I began tweeting, you really get out of it what you put in to it. Share, share, and share more!
karen (@kfasimpaur) - 10:36 : Doing my first webinar was scary too. Sheri + Denise are brave + great models!
Tracy Watanabe - 10:36 : Yes, @kathleen_morris and @lindayollis helped me initially. I'd send DMs to Kath to see if I was doing it right.
Connie - 10:36 : I try to collect and gather resources for teachers. I've explored many tools. I'm currently using only2clicks. However, it's only a visual bookmarking system. I keep searching...

Leslie Billings - 10:37 : I have also starting tweeting. I'm only up to 16, but I'm getting there.

Celine Feazel - 10:37 : I think the leaps are about to happen for me- I have been itching to get out of the lurking phase and share, but it is a bit jump!

Tracy Watanabe - 10:37 : I also would ask Sheri some specific questions about what hashtag to use

Joy Kirr - 10:37 : Have to re-join again...

Peggy Matthews - 10:38 : Yes, it is a bit of a jump but DO IT

javi - 10:38 : I did click on it, but can't hear anything :(

Sheri Edwards - 10:38 : <http://www.diigo.com/education> bookmarking that shares and highlights; groups; I connect here too

Tracy Watanabe - 10:38 : Sounds good ;)
